GENESIS 9

11/17/21

The word **blood** is used 424 times in 375 sperate verses (New King James Version). The numbers would indicate that there's an importance to blood. Why the significance?

What is a **covenant** and why would God need to make one with Noah?

What are the characteristics of a Biblical **covenant**?

Covenants are said to be the backbone of the Bible and the skeletons upon which the entire story of redemption is built. What does that mean?

How do the **covenants** point towards Jesus and His fulfillment of them?
